## **NH DHHS COVID-19 Update – July 23, 2021**

**Concord, NH** – The New Hampshire Department of Health and Human Services (DHHS) has issued the following update on the new coronavirus, COVID-19.

On Friday, July 23, 2021, DHHS announced 59 new positive test results for COVID-19. Today's results include 34 people who tested positive by PCR test and 25 who tested positive by antigen test. There are now 316 current COVID-19 cases diagnosed in New Hampshire.

Several cases are still under investigation. Additional information from ongoing investigations will be incorporated into future COVID-19 updates. Of those with complete information, there are eight individuals under the age of 18 and the rest are adults with 57% being female and 43% being male. The new cases reside in Rockingham (19), Belknap (8), Merrimack (5), Cheshire (3), Hillsborough County other than Manchester and Nashua (3), Carroll (1), Grafton (1), Strafford (1), and Sullivan (1) counties, and in the cities of Nashua (7) and Manchester (5). The county of residence is being determined for five new cases.

There are currently 23 individuals hospitalized with COVID-19. In New Hampshire since the start of the pandemic, there have been a total of 100,152 cases of COVID-19 diagnosed.

### **Current Situation in New Hampshire**
