NH DHHS COVID-19 Update – August 31, 2021

Concord, NH – The New Hampshire Department of Health and Human Services (DHHS) has issued the following update on the new coronavirus, COVID-19.

On Tuesday, August 31, 2021, DHHS announced 218 new positive test results for COVID-19. Today's results include 133 people who tested positive by PCR test and 85 who tested positive by antigen test. There are now 2,864 current COVID-19 cases diagnosed in New Hampshire.

Several cases are still under investigation. Additional information from ongoing investigations will be incorporated into future COVID-19 updates. Of those with complete information, there are thirty-nine individuals under the age of 18 and the rest are adults with 51% being female and 49% being male. The new cases reside in Rockingham (52), Hillsborough County other than Manchester and Nashua (46), Grafton (16), Merrimack (14), Cheshire (13), Strafford (13), Coos (8), Belknap (7), Carroll (6), and Sullivan (2) counties, and in the cities of Nashua (13) and Manchester (12). The county of residence is being determined for sixteen new cases.

DHHS has also announced one additional death related to COVID-19. We offer our sympathies to the family and friends.

- 1 female resident of Belknap County, 60 years of age and older

There are currently 121 individuals hospitalized with COVID-19. In New Hampshire since the start of the pandemic, there have been a total of 107,689 cases of COVID-19 diagnosed.

Current Situation in New Hampshire
