NH DHHS COVID-19 Update April 26, 2022

Concord, NH – The New Hampshire Department of Health and Human Services (DHHS) has issued the following update on the new coronavirus, COVID-19.

On Tuesday, April 26, 2022, DHHS announced 206 new positive test results for COVID-19 for Monday, April 25. Today's results include 105 people who tested positive by PCR test and 101 who tested positive by antigen test. DHHS also announced an additional 1 new case from Saturday, April 23 (0 by PCR and 1 by antigen test) for a new total of 415. Test results for previous days are still being processed and updated case counts for prior days will be reflected on the [COVID-19 interactive dashboard](#). There are now 2,364 current COVID-19 cases diagnosed in New Hampshire.

Several cases are still under investigation. Additional information from ongoing investigations will be incorporated into future COVID-19 updates. Of those with complete information, there are twenty-six individuals under the age of 18 and the rest are adults with 58% being female and 42% being male. The new cases reside in Rockingham (51), Hillsborough County other than Manchester and Nashua (35), Strafford (20), Merrimack (11), Belknap (10), Cheshire (7), Grafton (7), Sullivan (6), Coos (4), and Carroll (3) counties, and in the cities of Manchester (27) and Nashua (13). The county of residence is being determined for thirteen new cases.

There are currently 18 hospitalized patients being treated for COVID-19. In New Hampshire, since the start of the pandemic, there have been a total of 308,653 cases of COVID-19 diagnosed.

Current Situation in New Hampshire
